Customized Web Site Package: \$1,500

This includes 50 hours of development time covering all of the following:

- Customized site layout and design
- Navigation structure and layout
- Registering site with Google
- Search Engine Optimization
- Scanning and making web-ready company logo
- Scanning and making web-ready all images
- Assistance with registering a Domain Name
- Assistance with selecting Web Hosting Services
- Special rate of \$40 per hour if 40 hour limit is exceeded
- **Most importantly**, I work with you to understand what your business needs for its web site and explore with you the options and possibilities available for your web site. I get you up to speed on things like Blogs, E-commerce, Web-Mail, Newsletters, building email lists, etc...

\$350 due at signing of contract.
